About being a Governor

When did you start being a Governor?

2013...I think

Why did you want to be a Governor?

Because I wanted to learn more about the school where I taught, including what goes on the background that allows me to do my job.

Is it fun being a Governor?

It can be, we sometimes can discuss serious things but we all seem to put a good spin on things and make them all positive whatever it may be.

What makes you good at being a Governor?

I have an insight into the school, so I feel I able to put things into context for other governors and explain anything needed in a little more detail from a teachers point of view.

What do you like best about being a Governor?

I like learning new things about the school and elements that we have to look into to ensure the school keeps going as well as it is doing. And when Mr Wells makes us brownies to keep us going through busy times!

Thank you for all the hard work and time you give to our school!
