BADGER WOOD

A great fun-filled week in Badgers! We have added even more to our sentence stacking wall, our new and improved story is really coming together. I can't wait to read everyone's new stories next week.

We have even taken our story 'The Way Back Home' and made it into a film, but we don't want to give too much away, you'll have to come and see it for yourself.

Happy Mother's Day to mums for Sunday, I hope you like your cards, the children really enjoyed mixing the craft with our topic and making it special for you!

Next week, it is all about jaffa cakes... can you guess what we are doing in maths?

KEEPER WOOD

We've had a week full of activities in Keeper Wood! On Monday we had a fun filled day at York Minster, we learnt so much about the how they run the Minster and the different jobs. It was very interesting! We couldn't believe how difficult it is to clean the stain glass windows and how long it takes, they have a very expensive window cleaning bill.

To end the week, we had an exciting day at Lady Luntley's School, taking part in multi skills and skipping.

Next week is the week we've all been waiting for, East Barnby!! I know the children are very excited and we are too!! We have some super activities planned.

LENT CHALLENGES

Instead of giving up something this year for Lent, why not try to do something extra?

In each weekly newsletter during Lent, we will share with you a range of challenges to choose from to help different groups of people in our community. Please let us know of your involvement and any responses you receive.

FARTHING WOOD

What a great trip we had on Monday this week. Farthing Wood and Keeper Wood visited York Minster, learning about many aspects of its life and taking a very detailed and informative guided tour. Everyone behaved impeccably and were a credit, both to their parents and school. Well done everyone!
