NEWSLETTER April 20th 2018

SCHOOL

Welcome back for the Summer Term, let's hope this weather continues so we can enjoy a busy term ahead.

On Friday all classes joined together to launch our summer topic 'Discovering Deira'. Throughout the day, the children went back in time and experienced elements from Anglo-Saxon times. All children had the chance to make Anglo-Saxon bread, clay pots, shields and jewellery as well as crafting in an Anglo-Saxon style. A fantastic fun-filled day for everyone to develop a thirst for knowledge for these historical times. We can't wait to see how our topic team and challenge times develop throughout the topic.

CHARITY STALLS

Following our R.E. work on charities, many members of Keeper Wood wish to run different stalls next term for a range of charities. Details of these will appear in newsletters over the summer weeks. Some stalls will require unwanted toys to resell so please have a look and send any unwanted toys to school.

ASSEMBLY

This term's assembly topic is Wisdom.

INHALERS

Please ensure that your child has an inhaler in school if required.

CYCLING

With the warmer weather and the start of cycling clubs, children are able to cycle to school or bring cycles for the clubs. There is a cycle rack at the front of school for children's use, you may wish to padlock the cycles to this. Helmets must be worn; these may be stored in school at your own risk.

Children taking part in the clubs must return the consent form prior to taking part; forms are attached for those children yet to do this.

EQUALITIES POLICY

Your support for your child's education is crucial to their progress. Please tell us if there is any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.

If you require this in a different format, please contact the school office.
