BADGER WOOD 'STORYING' PROJECT

Miss Tattersley is working upon a project with other schools entitled "Developing a Storying Culture in Early Years Settings" over the rest of the term and all of the following academic year. The aim of the project is to introduce the children to drawing and writing and everything in-between in fun and inventive ways so the children apply their imagination and therefore 'story' their own work. This allows the children to have more creativity over their work, how it is presented and to have purpose to their work.

Consent is required from parents for the use of images as part of the project. Please find attached a consent form with further information about the project. This needs to be signed and returned as soon as possible please. If you have further questions, please ask at school.

SCAMPSTON SCRAMBLE

Thank you for your support, it was a great event.

YEAR 6 LIFESTYLE CHALLENGE

North Yorkshire Police have held 'Lifestyle Challenge' which culminates in an award ceremony later in the year. Lifestyle Challenge is an activity that gives young people aged 10 to 17 on 31st August 2018, who are resident in North Yorkshire, something positive to engage in over the summer holidays. It gives them the opportunity to make a difference in their community as a team, whilst demonstrating what young people are capable of when given the right opportunities.

As part of their workbooks the teams have the opportunity to base their community project around a challenge set by the sponsors. Their work could include a number of these challenges and these will be available when they register and receive their workbooks.

When the teams have completed their Lifestyle challenge and workbooks they send them in to be judged by those sponsors who wish to be involved. All the young people's hard work culminates in a well-deserved and attended awards ceremony planned for 14th November 2018 at York Racecourse. All year 6 pupils have an information pack.
