### **WEST HESLERTON "SOOPER SOUPERS"**

On behalf of the West Heslerton "Sooper Soupers" I would like to thank you for bringing some of your school leavers down to the village hall this afternoon. They thoroughly enjoyed listening to the children explain their school activities over the past few weeks. They were particularly impressed by the clarity of their conversation. They enjoyed talking to the children about past times and their own childhood and early years. Sharing their photographs with the children, having experienced the children telling of their activities with scrap books and tablets, crossed the generation gap in a positive way.

We thoroughly enjoyed the afternoon and hope that the children did also.
