Congratulations to everyone who took part and many thanks again to those who cheered us on.

SAFER NEIGHBOURHOOD TEAM

The Safer Neighbourhood Team will be making an occasional presence outside school gates at key times over the coming months. The reason behind this is to observe routines, engage with the community and doesn't mean there is a problem.

If you require this in a different format, please contact the school office.

HOPE CENTRAL

On Monday 28th November we went to Hope Central in Malton. There have been a lot of new starters so most Keepers and all Farthing Wood went in the morning and the rest of Keepers and all Badgers went in the afternoon. So that means that a lot of people were excited for Hope Central. Hope Central has changed a lot there's a library and "Time Racer 4000". Whilst the others were on adventure we were making Time Travel data bases (fact files). Whilst doing this we had lovely buns and drinks. When the others came back from the "adventure" the people who were crafting went on the "adventure". In the adventure we met Mary and Joseph, Mr Pendulum, a wise man, a shepherd and Baby Jesus. After lunch Badgers and year 3s went to do the same thing.

Jake

On Monday 12th November 2016 the school went to Hope Central to see the Christmas Story. We travelled back in time in the time racer 4000. The first people we met were Mary and Joseph and the second person we met was the wise man and we helped him put a map together. The third person was the shepherd and he was counting his sheep and the angel came and spoke to him.

The shepherd went back and said, "Oh I forgot to ask do you want to come?" So we went with him. He took us to a barn and we used the key to open the door and saw the Baby and Mary and Joseph. Holly and Tallulah

Swimming

People at school have been going to super swimming lessons. We have been playing Water Polo, doing races and having jumping competitions. Everyone said that they have really enjoyed swimming with other people in school. People have also said that school swimming lessons are very good because people who can't swim very well get a chance at getting better. We all really enjoyed swimming.
