

Forest Schools Kit

Sessions will take place weekly, where appropriate, allowing the children to access and develop the different skills that Forest Schools promotes. In order for the children to get the most out of all sessions, they need to be dressed correctly for all weathers, therefore they will need the equipment listed below.

All you need to know about your Forest schools Kit bag...

Please can you ensure all items are clearly labelled.

- ✓ A small rucksack (to be used during sessions and to store the below items in)
- ✓ A spare water bottle to be kept in the bag when we go out and about.
- ✓ Waterproof leggings/trousers
- ✓ A warm top
- ✓ Gloves
- ✓ Hat

To bring every Friday...

- ✓ Wellies
- ✓ Waterproof coat

Please feel free to leave these in school with your kit bag if you wish.

Please note...

We don't have suitable spare clothes or footwear to give to the children. Unfortunately, if they don't bring the kit above, which is suitable for Forest Schools then it may not be possible for them to join us in the session due to the weather and nature of the activities that they will be doing.
